CABLE GNOSIS

Life cycle center for power CABLE diaGNOSIS

8 countries **17** partners **5** pilots **5,3** M EUR

Revolutionizing power cable systems through innovation, sustainability and intelligence for a resilient energy future:

- **High-Performance & Eco-Friendly HV Cables**
- **Superconducting & Recyclable Solutions**
- **Smart Monitoring & AI-Powered Maintenance**
- **Lifecycle Center**

Funded by the European Union

Supporting the clean energy transition era
